## **Invitation**

The 47th Annual Congress of Indian Society for Veterinary Surgery and National Symposium on "Advances in Domestic and Wild Animal Surgery with special reference to Elephants" is being organized by Department of Surgery & Radiology, College of Veterinary Science, Assam Agricultural University, Khanapara, Guwahati-781022, Assam during December 18-20, 2024. The organizing Committee is delighted to extend you a warm and cordial invitation to participate to share your experience in the field of Veterinary Surgery & Radiology.

The symposium is open for faculties, scientists, field and private practitioners, research scholars, postgraduate students and specialists working in the field of wildlife healthcare. The organizing committee is eagerly looking forward to welcome you to the land of Red Rivers and Blue Hills. Kindly mark December 18-20, 2024 to attend this mega get-together.

## **Host Institute**

The College of Veterinary Science, Khanapara, Guwahati, is a premier institute of its kind in the north-east India, is a constituent College of the Assam Agricultural University which has rendered yeoman services in the promotion of veterinary education and development of human resources since its inception in 1948. The College imparts education at Undergraduate, Postgraduate and Doctorate levels in various disciplines. The College Campus is 5 km from Dispur, the Capital of Assam, 12 km from the Guwahati Railway Station and 32 km from the Lokapriya Gopinath Bordoloi International Airport, Borjhar.

# **Guwahati- The City of Eastern Light**

The City of Eastern Light, Guwahati is a perfect destination to explore the picturesque north-eastern part of the Country and experience its diverse ethnicity. The northern face of the City is bounded by the meandering mighty Brahmaputra. Nestled in its sacred water lies the small island Umananda with eye- soothing scenic beauty. The river flows down west touching the foot of the Blue Hill, Nilachal atop which stands the famous temple of Mother Goddess Kamakhya. The southern part of the City juxtaposes with the hilly state of Meghalaya, its Capital Shillong located about 80 km from Guwahati. Kaziranga National Park, a world heritage site famous for one-horned rhinoceros is 200 km from Guwahati. Pobitora Wild Life Sanctuary, known for highest density of rhinoceros is 40 km. The weather in mid December remains pleasant (Average Temperature 10-20 °C). Winter clothing is desirable to make the stay comfortable. The City is well-connected by air, train and road with the restof the country.

# **Transportation and Accommodation**

The organizing committee will provide local conveyance to delegates from the airport and Railway Stations. Accommodation will be arranged in the University Guest Houses/ nearby other institutional guest houses/ or hotels on direct payment basis. (Tariffs will be intimated) Prior information from delegates is required regarding type of accommodation desired with detailed travel plan.

## Scientific Themes

The symposium will include presentations by eminent scientists, academicians and researchers. A total of 18 sessions will be held besides inauguration and Award sessions. The participants are requested to send their abstracts and the same will be classified and placed in different technical sessions. There will be a post symposium special session on elephant healthcare and live demonstration at Pobitora wildlife sanctuary on 21st December 2024. There will be concurrent scientific sessions, so delegates are requested not to send more than two oral presentations to avoid overlapping. The symposium will have the following sessions.

Session	Name	Session	Name
1	Inauguration	10	Ophthalmology
2	Theme Session	11	Wild and Zoo Animal Surgery
3	Oration Lecture	12	Avian Surgery
